Dear Ron,

Don and I would like to thank you, somewhat belatedly, for the excellent job you did for us in brokering the sale of our business, North Shore Security, a few short months ago. You obtained for us "top dollar" with an unexpected rate that, of course, pleased us greatly!

The entire process – from the offer to the closing – occurred in about a month, and was handled in a professional and timely manner. Your intervention with the buyer, and, I might add, our attorney, helped to make the transition exceedingly smooth and seamless.

Ron, Don and I have known and worked with you now for over twenty-five years, and we firmly believe that your guidance and advice throughout the years helped to bring about this sale in a way that no one else could have achieved.

Thank you!

Yours for greater security,
